ARLINGTON ROAD BOARD.—A meeting of the Board of Commissioners of Roads for Arlington Magisterial District was held at the residence of the County Clerk yesterday. Present, W. A. Rowe, supervisor; William H. Butler, commissioner; and Justice Henry A. Whallon. The certificate of Henry A. Whallon, justice and member of the Board was received and filed and he was duly elected Clerk of the Board. The following road overseers were then elected: Joel H. Whitehead, district No. 1, re-elected; Clinton L. Bonczat, district No. 2, re-elected; George H. Mortimore, district No. 3, re-elected; William W. Butler, district No. 4, vice Nelson Living. Each overseer was required to give bond for the faithful performance of his duty. The following order was unanimously adopted: Ordered that a road tax of ten cents on every hundred dollars of value of property, real and personal, within the district, be laid for the ensuing year. Adopted, and the clerk ordered to immediately certify the same to the commissioner of the revenue. The following schedule of prices to be paid for labor was adopted: For team and plow or wagon and man, \$2.50 per day; for horse and cart and man, \$2.50 per day; for scraper, plow and man, 25 cents. Adjourned to meet on Monday, the 4th of August.

POLICE ITEMS.—The following cases have been tried since yesterday: James Richards alias Phillips and Dan Cullen, for disorderly conduct and trying to throw each other overboard, were fined and locked up for payment. Sandy Jones, colored, for hiring a public swing on Sunday and causing an unlawful gathering, was fined and held for payment. Eugene Middleton, colored, for throwing stones in the street and striking the child of Wm. Markell, was fined and discharged. Michael Dowling, a tramp, for being drunk on the street, was sent out of town.

ST. SWITHIN'S DAY.—This is St. Swithin's Day, when, according to the old tradition, the state of the weather for the next forty days is determined.

The legend runs: St. Swithin's day, if it be a rainy day, For forty days it will be raining; St. Swithin's day if it be a fair day, For forty days it will be fair. Unfortunately, however, for the reliability of the tradition, some scientific chap has taken the trouble to make observations for several years, and found that there was more rain after a fair Saint Swithin's day than after a wet one.

FUNERAL OF JUDGE HUMPHRIES.—Owing to the difficulty of removing dead bodies through some of the southern cities, it was determined not to take the remains of the late Judge D. C. Humphries to Huntsville, Ala., as was at first proposed, but to bury him here. Accordingly, the body was brought last evening from the Judge's late residence, near Franconia Station, to Ivy Hill Cemetery, near this city, where it was interred. The funeral services were conducted by Rev. Dr. Ballack, of the Union Presbyterian Church, and among the attendants were a number of members of the District bar.

AMATEUR EDITORS.—The semi-annual meeting of the Southern Amateur Press Association was held in Washington, yesterday.

J. E. Overton, of Norfolk, was elected President over W. C. Potter, of this city, and the latter was elected a Vice President.

T. J. Hope, of Norfolk, was elected official editor and it was determined to publish an organ at the expense of the Association. J. L. Griggs, of this city, was elected Sergeant at Arms. The next meeting will be held at Norfolk in December.

SUDDEN DEATH.—Miss Rosa Sherwood, aged 16 years, daughter of Mr. Jesse R. Sherwood, formerly of this city, but now residing near Washington, died quite suddenly yesterday. She was apparently well in the early morning, but was taken ill, about ten o'clock, with a congestive chill, from which she died about one o'clock. Her remains were brought to the residence of her grandmother, Mrs. McCracken, in this city from where they were buried this evening.

STEAMER MARY WASHINGTON.—Attention is called to the advertisement of the excursion on the steamer Mary Washington. Captain Newell is a most courteous gentleman and guarantees the most perfect order and the utmost enjoyment possible. Not the least of the attractions is a vocal and instrumental concert, which is given on each trip by Prof. Rodgers and his assistants.

RENTAL.—There is to be a regatta on the river Thursday morning next. A sale boat race from Washington to Fort Monroe and return has been arranged between the boats San Foam, Markway, Good Rough and Hawks. There will also be a skill race, with sails, between the Bob Goldin, Captain Raynor, and White Lily, Captain Noble Smith. The fun will end with a tubrace free to all.

RAIN WANTED.—The drought in the neighboring country continues to be very severe and the crops are suffering very much. Many of the farmers say that their early corn is burned up by the sun and are cutting it down for cattle food. The water in the river has become brackish and a number of crabs have been caught on the flats opposite this city; a thing that very rarely occurs.

EXCURSION TO-MORROW.—The excursion of St. Mary's Sunday School to Mount Vernon Springs takes place to-morrow. Every arrangement has been made for the comfort of those who go and meals will be served by the ladies at a very reasonable rate. These excursions have always been noted for their very pleasurable character.

NW BOAT.—It is understood that the steamer Massachusetts, now running out of Baltimore, will probably be added to the Potomac excursion fleet in a few days. She is represented to be a fast and elegantly arranged boat and will be put on the daily excursion line to salt water.

THE HEAT.—The heat to day has been intense, the thermometer at two p. m. marking ninety-five degrees in the shade. Umbrellas and fans are in demand, and none, except those compelled to be out, have appeared on the streets.

LOTTERY RAIDED.—The police this morning raided a lottery office on Prince street, near Leo. The proprietor, John Donnelly, was brought before the Mayor, as well as several witnesses, and the case was continued until Thursday next.

SHIP YARD.—The schooner Daniel Brown was launched from the ways at the ship yard, this morning, and the boat Pocahontas was hauled up. The yacht Americus is on the small ways, having a new rudder made.

THE MONUMENT AT WAKEFIELD.—Frederickburg Lodge, No. 4, of Masons, in which George Washington was initiated, have signified their intention of taking part in the dedication of the monument at Wakefield, the birthplace of Washington, shortly to be erected by Congress. It would seem proper that Alexandria Washington Lodge, of which the great man was Master, should also participate.

These goods are beautiful, handsome and durable, and will be sold at such prices as cannot fail to please. All in want will please call and examine for themselves at 110 King street. W. B. WADEY.
